SUMMARY

I'm a professional **MERN Stack developer** with over **2 years** of hands-on industry experience. I specialize in building visually appealing, responsive, and high-performance websites that enhance user engagement and drive results.

PROFESSIONAL EXPERIENCE

Firnas.tech 🌐, *MERN Stack Developer* 04/2025 – 02/2026 | Abbottabad
Developed and maintained dynamic web applications using the MERN stack. Delivered scalable, responsive, and visually engaging websites. Collaborated with cross-functional teams to transform client requirements into robust digital solutions.

Systemic Agency 🌐, *WordPress Developer* 05/2023 – 01/2024 | Abbottabad
Worked as a WordPress Developer focused on building and customizing websites using popular themes and page builders like Elementor. Handled plugin integrations, site optimizations, and responsive design.

Urmaan: Codematics 🌐, *Frontend Developer* 02/2022 – 08/2022 | Abbottabad
Worked as a Frontend Developer building responsive, user-friendly web interfaces using HTML, CSS, JavaScript, and React. Focused on performance optimization, cross-browser compatibility, and delivering pixel-perfect UI based on Figma and Adobe XD designs

EDUCATION

Comsats University Islamabad, 03/2022 – 03/2026 | Abbottabad
Bachelor of Software Engineering
